

# Listening Test

Set 1

23 December 2025

- You will hear four recordings.
- Write your answers on the question paper.
- You will have time to read the questions before you listen.
- Use a pencil. Write clearly and follow instructions.
- At the end, you will have 10 minutes to transfer your answers.

## Part 1

Complete the table below.

Write ONE WORD AND / OR A NUMBER for each answer.

Community Centre Programme		
Activity	Day / Time	Cost / Notes
English	Monday 10:00-11:30	Cost: 1. _____ (int. level)
Yoga	Wednesday 2. _____	Cost: 3. _____ (bring mat)
Computer Skills	Friday 14:00-15:30	Free; book 4. _____ in adv.
Gardening	Saturday 5. _____	Free; meet at the 6. _____
Photography	Monday 18:00-19:30	Cost: 7. _____; own 8. _____
Storytelling	Thursday 9. _____	Free; kids up to 10. _____

1. Cost of English class per session (when paid for four sessions): \_\_\_\_\_.

2. Time of Yoga class: \_\_\_\_\_.

3. Cost of Yoga class per session: \_\_\_\_\_.

4. Number of days to book Computer Skills in advance: \_\_\_\_\_.

5. Time of Gardening club meeting: \_\_\_\_\_.

6. Meeting place for Gardening club: \_\_\_\_\_.

7. Cost of Photography class per session: \_\_\_\_\_.

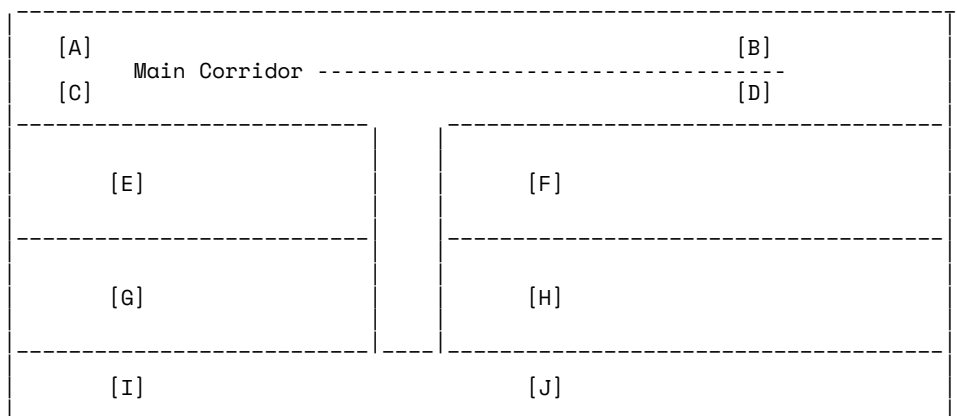

8. Equipment needed for Photography class: \_\_\_\_\_.

9. Time of Storytelling session: \_\_\_\_\_.

10. Maximum age for children in Storytelling session: \_\_\_\_\_.

## Part 2

Label the map below. Write the correct letter, A-J.

11. Volunteer Briefing Room. \_\_\_\_\_
12. Community Cafe. \_\_\_\_\_
13. Main Activity Hall. \_\_\_\_\_
14. Staff Office. \_\_\_\_\_
15. Quiet Study Area. \_\_\_\_\_
16. Kitchen Facilities. \_\_\_\_\_
17. First Aid Point. \_\_\_\_\_
18. Equipment Storage. \_\_\_\_\_
19. Accessible Restroom. \_\_\_\_\_
20. Outdoor Garden. \_\_\_\_\_

## Part 3

### Questions 21-30

Choose the correct letter, A, B or C.

21 What was the initial primary concern of the university regarding the new sports facilities?

['A. the significant financial commitment involved.', 'B. the potential negative impact on academic performance.', 'C. the lack of student interest in new sports.']

['A. the high demand for individual training.', 'B. the strong preference for traditional team sports.', 'C. the unexpected interest in niche activities.']

['A. celebrity endorsements or sports figures.', 'B. targeted outreach to non-sporting students.', 'C. reduced membership fees for specific groups.']

['A. the potential for attracting international students.', 'B. the need for continuous upgrades and maintenance.', 'C. the effect on local amateur sports clubs.']

['A. the positive correlation between sports and mental well-being.', 'B. the unexpected high usage rates during off-peak hours.', 'C. the financial return on investment for the university.']

['A. providing detailed statistical analysis of their findings.', 'B. highlighting the practical recommendations for the university.', 'C. discussing the theoretical framework of community services.']

22 What did Liam find most surprising about the student feedback?

['A. the significant financial commitment involved.', 'B. the potential negative impact on academic performance.', 'C. the lack of student interest in new sports.']

['A. the high demand for individual training.', 'B. the strong preference for traditional team sports.', 'C. the unexpected interest in niche activities.']

['A. physical health among the student population.', 'B. social cohesion and community spirit.', 'C. the university's national reputation.']

['A. a comparison with other universities' facilities.', 'B. the views of local community members.', 'C. the financial sustainability of the new facilities.']

['A. difficulty in getting responses from staff.', 'B. limited access to certain sports areas.', 'C. bias in student self-reported data.']

['A. the availability of advanced equipment.', 'B. the booking system for courts and fields.',

'C. the variety of fitness classes offered.']

['A. celebrity endorsements or sports figures.', 'B. targeted outreach to non-sporting students.', 'C. reduced membership fees for specific groups.']

['A. the potential for attracting international students.', 'B. the need for continuous upgrades and maintenance.', 'C. the effect on local amateur sports clubs.']

['A. the positive correlation between sports and mental well-being.', 'B. the unexpected high usage rates during off-peak hours.', 'C. the financial return on investment for the university.']

['A. providing detailed statistical analysis of their findings.', 'B. highlighting the practical recommendations for the university.', 'C. discussing the theoretical framework of community services.']

23 Chloe suggests that the \*main\* benefit of the new facilities is improved...

['A. the significant financial commitment involved.', 'B. the potential negative impact on academic performance.', 'C. the lack of student interest in new sports.']

['A. the high demand for individual training.', 'B. the strong preference for traditional team sports.', 'C. the unexpected interest in niche activities.']

['A. physical health among the student population.', 'B. social cohesion and community spirit.', 'C. the university's national reputation."]

["A. a comparison with other universities' facilities.", 'B. the views of local community members.', 'C. the financial sustainability of the new facilities.']

['A. difficulty in getting responses from staff.', 'B. limited access to certain sports areas.', 'C. bias in student self-reported data.']

['A. the availability of advanced equipment.', 'B. the booking system for courts and fields.', 'C. the variety of fitness classes offered.']

['A. celebrity endorsements or sports figures.', 'B. targeted outreach to non-sporting students.', 'C. reduced membership fees for specific groups.']

['A. the potential for attracting international students.', 'B. the need for continuous upgrades and maintenance.', 'C. the effect on local amateur sports clubs.']

['A. the positive correlation between sports and mental well-being.', 'B. the unexpected high usage rates during off-peak hours.', 'C. the financial return on investment for the university.']

['A. providing detailed statistical analysis of their findings.', 'B. highlighting the practical recommendations for the university.', 'C. discussing the theoretical framework of community services.']

24 Dr. Evans recommends that Liam and Chloe expand their research to include...

['A. the significant financial commitment involved.', 'B. the potential negative impact on academic performance.', 'C. the lack of student interest in new sports.']

['A. the high demand for individual training.', 'B. the strong preference for traditional team sports.', 'C. the unexpected interest in niche activities.']

['A. physical health among the student population.', 'B. social cohesion and community spirit.', 'C. the university's national reputation."]

["A. a comparison with other universities' facilities.", 'B. the views of local community

members.', 'C. the financial sustainability of the new facilities.']

['A. difficulty in getting responses from staff.', 'B. limited access to certain sports areas.', 'C. bias in student self-reported data.']

['A. the availability of advanced equipment.', 'B. the booking system for courts and fields.', 'C. the variety of fitness classes offered.']

['A. celebrity endorsements or sports figures.', 'B. targeted outreach to non-sporting students.', 'C. reduced membership fees for specific groups.']

['A. the potential for attracting international students.', 'B. the need for continuous upgrades and maintenance.', 'C. the effect on local amateur sports clubs.']

['A. the positive correlation between sports and mental well-being.', 'B. the unexpected high usage rates during off-peak hours.', 'C. the financial return on investment for the university.']

['A. providing detailed statistical analysis of their findings.', 'B. highlighting the practical recommendations for the university.', 'C. discussing the theoretical framework of community services.']

25 What challenge did the students face when collecting data for their report?

['A. the significant financial commitment involved.', 'B. the potential negative impact on academic performance.', 'C. the lack of student interest in new sports.']

['A. the high demand for individual training.', 'B. the strong preference for traditional team sports.', 'C. the unexpected interest in niche activities.']

['A. physical health among the student population.', 'B. social cohesion and community spirit.', 'C. the university's national reputation.']

['A. a comparison with other universities' facilities.', 'B. the views of local community members.', 'C. the financial sustainability of the new facilities.']

['A. difficulty in getting responses from staff.', 'B. limited access to certain sports areas.', 'C. bias in student self-reported data.']

['A. the availability of advanced equipment.', 'B. the booking system for courts and fields.', 'C. the variety of fitness classes offered.']

['A. celebrity endorsements or sports figures.', 'B. targeted outreach to non-sporting students.', 'C. reduced membership fees for specific groups.']

['A. the potential for attracting international students.', 'B. the need for continuous upgrades and maintenance.', 'C. the effect on local amateur sports clubs.']

['A. the positive correlation between sports and mental well-being.', 'B. the unexpected high usage rates during off-peak hours.', 'C. the financial return on investment for the university.']

['A. providing detailed statistical analysis of their findings.', 'B. highlighting the practical recommendations for the university.', 'C. discussing the theoretical framework of community services.']

26 According to Liam, what aspect of the facilities needs \*most\* improvement?

['A. the significant financial commitment involved.', 'B. the potential negative impact on academic performance.', 'C. the lack of student interest in new sports.']

['A. the high demand for individual training.', 'B. the strong preference for traditional team

sports.', 'C. the unexpected interest in niche activities.']

['A. physical health among the student population.', 'B. social cohesion and community spirit.', 'C. the university's national reputation."]

['A. a comparison with other universities' facilities.', 'B. the views of local community members.', 'C. the financial sustainability of the new facilities.']

['A. difficulty in getting responses from staff.', 'B. limited access to certain sports areas.', 'C. bias in student self-reported data.']

['A. the availability of advanced equipment.', 'B. the booking system for courts and fields.', 'C. the variety of fitness classes offered.']

['A. celebrity endorsements or sports figures.', 'B. targeted outreach to non-sporting students.', 'C. reduced membership fees for specific groups.']

['A. the potential for attracting international students.', 'B. the need for continuous upgrades and maintenance.', 'C. the effect on local amateur sports clubs.']

['A. the positive correlation between sports and mental well-being.', 'B. the unexpected high usage rates during off-peak hours.', 'C. the financial return on investment for the university.']

['A. providing detailed statistical analysis of their findings.', 'B. highlighting the practical recommendations for the university.', 'C. discussing the theoretical framework of community services.']

27 Chloe believes that promoting the facilities \*more effectively\* would require...

['A. the significant financial commitment involved.', 'B. the potential negative impact on academic performance.', 'C. the lack of student interest in new sports.']

['A. the high demand for individual training.', 'B. the strong preference for traditional team sports.', 'C. the unexpected interest in niche activities.']

['A. physical health among the student population.', 'B. social cohesion and community spirit.', 'C. the university's national reputation."]

['A. a comparison with other universities' facilities.', 'B. the views of local community members.', 'C. the financial sustainability of the new facilities.']

['A. difficulty in getting responses from staff.', 'B. limited access to certain sports areas.', 'C. bias in student self-reported data.']

['A. the availability of advanced equipment.', 'B. the booking system for courts and fields.', 'C. the variety of fitness classes offered.']

['A. celebrity endorsements or sports figures.', 'B. targeted outreach to non-sporting students.', 'C. reduced membership fees for specific groups.']

['A. the potential for attracting international students.', 'B. the need for continuous upgrades and maintenance.', 'C. the effect on local amateur sports clubs.']

['A. the positive correlation between sports and mental well-being.', 'B. the unexpected high usage rates during off-peak hours.', 'C. the financial return on investment for the university.']

['A. providing detailed statistical analysis of their findings.', 'B. highlighting the practical recommendations for the university.', 'C. discussing the theoretical framework of community services.']

28 What point does Dr. Evans raise about the \*long-term impact\* of the facilities?

['A. the significant financial commitment involved.', 'B. the potential negative impact on academic performance.', 'C. the lack of student interest in new sports.']

['A. the high demand for individual training.', 'B. the strong preference for traditional team sports.', 'C. the unexpected interest in niche activities.']

['A. physical health among the student population.', 'B. social cohesion and community spirit.', 'C. the university's national reputation."]

["A. a comparison with other universities' facilities.", 'B. the views of local community members.', 'C. the financial sustainability of the new facilities.']

['A. difficulty in getting responses from staff.', 'B. limited access to certain sports areas.', 'C. bias in student self-reported data.']

['A. the availability of advanced equipment.', 'B. the booking system for courts and fields.', 'C. the variety of fitness classes offered.']

['A. celebrity endorsements or sports figures.', 'B. targeted outreach to non-sporting students.', 'C. reduced membership fees for specific groups.']

['A. the potential for attracting international students.', 'B. the need for continuous upgrades and maintenance.', 'C. the effect on local amateur sports clubs.']

['A. the positive correlation between sports and mental well-being.', 'B. the unexpected high usage rates during off-peak hours.', 'C. the financial return on investment for the university.']

['A. providing detailed statistical analysis of their findings.', 'B. highlighting the practical recommendations for the university.', 'C. discussing the theoretical framework of community services.']

29 Both students agree that their \*most valuable finding\* was related to...

['A. the significant financial commitment involved.', 'B. the potential negative impact on academic performance.', 'C. the lack of student interest in new sports.']

['A. the high demand for individual training.', 'B. the strong preference for traditional team sports.', 'C. the unexpected interest in niche activities.']

['A. physical health among the student population.', 'B. social cohesion and community spirit.', 'C. the university's national reputation."]

["A. a comparison with other universities' facilities.", 'B. the views of local community members.', 'C. the financial sustainability of the new facilities.']

['A. difficulty in getting responses from staff.', 'B. limited access to certain sports areas.', 'C. bias in student self-reported data.']

['A. the availability of advanced equipment.', 'B. the booking system for courts and fields.', 'C. the variety of fitness classes offered.']

['A. celebrity endorsements or sports figures.', 'B. targeted outreach to non-sporting students.', 'C. reduced membership fees for specific groups.']

['A. the potential for attracting international students.', 'B. the need for continuous upgrades and maintenance.', 'C. the effect on local amateur sports clubs.']

['A. the positive correlation between sports and mental well-being.', 'B. the unexpected high usage rates during off-peak hours.', 'C. the financial return on investment for the

university.']

['A. providing detailed statistical analysis of their findings.', 'B. highlighting the practical recommendations for the university.', 'C. discussing the theoretical framework of community services.']

30 What does Dr. Evans advise the students to focus on for their final presentation?

['A. the significant financial commitment involved.', 'B. the potential negative impact on academic performance.', 'C. the lack of student interest in new sports.']

['A. the high demand for individual training.', 'B. the strong preference for traditional team sports.', 'C. the unexpected interest in niche activities.']

['A. physical health among the student population.', 'B. social cohesion and community spirit.', 'C. the university's national reputation."]

['A. a comparison with other universities' facilities.', 'B. the views of local community members.', 'C. the financial sustainability of the new facilities.']

['A. difficulty in getting responses from staff.', 'B. limited access to certain sports areas.', 'C. bias in student self-reported data.']

['A. the availability of advanced equipment.', 'B. the booking system for courts and fields.', 'C. the variety of fitness classes offered.']

['A. celebrity endorsements or sports figures.', 'B. targeted outreach to non-sporting students.', 'C. reduced membership fees for specific groups.']

['A. the potential for attracting international students.', 'B. the need for continuous upgrades and maintenance.', 'C. the effect on local amateur sports clubs.']

['A. the positive correlation between sports and mental well-being.', 'B. the unexpected high usage rates during off-peak hours.', 'C. the financial return on investment for the university.']

['A. providing detailed statistical analysis of their findings.', 'B. highlighting the practical recommendations for the university.', 'C. discussing the theoretical framework of community services.']

## Part 4

Complete the sentences below. Write NO MORE THAN TWO WORDS for each answer.

31. Cultural events are fundamental for building a strong sense of \_\_\_\_\_ within a community.
32. Beyond entertainment, these events often aim to preserve and promote local \_\_\_\_\_.
33. Successful events require careful planning and a deep understanding of the \_\_\_\_\_ of the target audience.
34. One significant challenge for organisers is securing adequate \_\_\_\_\_ to cover operational costs.
35. Public engagement can be enhanced through innovative marketing and effective \_\_\_\_\_.
36. The economic benefits of cultural events often include increased revenue for local \_\_\_\_\_.
37. Impact assessments frequently measure not just attendance, but also the broader \_\_\_\_\_ benefits to the area.
38. Volunteer involvement is crucial, providing essential manpower and fostering a sense of \_\_\_\_\_ among participants.
39. Organisers must navigate complex issues such as permits, safety regulations, and potential \_\_\_\_\_ from residents.
40. The future of cultural events relies on adaptability and a commitment to \_\_\_\_\_ and innovation.
