['A. To discuss their upcoming project deadlines.', 'B. To get advice on choosing optional modules.', 'C. To resolve problems with their exam registration.']

['A. She is unsure which modules to register for.', 'B. She has missed the official registration deadline.', 'C. She has encountered a module timetable clash.']

['A. He has been registered for an incorrect module.', 'B. He has received no confirmation of his registration.', 'C. He needs to change his chosen examination dates.']

['A. Submit a formal appeal to the academic board.', 'B. Contact the examinations office directly and without delay.', 'C. Wait for the university to send a reminder notice.']

['A. She was preoccupied with an important family event.', 'B. She did not fully understand

the instructions in an email.', 'C. She believed the deadline was later than it actually was.']

['A. It is generally efficient but can be confusing for some users.', 'B. It is outdated and frequently causes problems for students.', 'C. It is straightforward and rarely leads to registration errors.']

['A. He needs to consult with his personal tutor for guidance.', 'B. He must submit a written request to the module leader.', 'C. He needs to visit the departmental office with a specific form.']

['A. Students must register for resits within one week of results publication.', 'B. Resit registration is handled automatically by the university.', 'C. A separate application form is required for each resit module.']

['A. Always prioritise registration over academic coursework.', 'B. Regularly check the university portal for updates and deadlines.', 'C. Consult with a peer mentor for all registration queries.']

['A. The university policies are too strict and unhelpful.', 'B. Students are ultimately responsible for their registration process.', 'C. Tutors should take a more active role in student registrations.']

23. What specific issue has Liam encountered with his examination registration?

['A. To discuss their upcoming project deadlines.', 'B. To get advice on choosing optional modules.', 'C. To resolve problems with their exam registration.']

['A. She is unsure which modules to register for.', 'B. She has missed the official registration deadline.', 'C. She has encountered a module timetable clash.']

['A. He has been registered for an incorrect module.', 'B. He has received no confirmation of his registration.', 'C. He needs to change his chosen examination dates.']

['A. Submit a formal appeal to the academic board.', 'B. Contact the examinations office directly and without delay.', 'C. Wait for the university to send a reminder notice.']

['A. She was preoccupied with an important family event.', 'B. She did not fully understand the instructions in an email.', 'C. She believed the deadline was later than it actually was.']

['A. It is generally efficient but can be confusing for some users.', 'B. It is outdated and frequently causes problems for students.', 'C. It is straightforward and rarely leads to registration errors.']

['A. He needs to consult with his personal tutor for guidance.', 'B. He must submit a written request to the module leader.', 'C. He needs to visit the departmental office with a specific form.']

['A. Students must register for resits within one week of results publication.', 'B. Resit registration is handled automatically by the university.', 'C. A separate application form is required for each resit module.']

['A. Always prioritise registration over academic coursework.', 'B. Regularly check the university portal for updates and deadlines.', 'C. Consult with a peer mentor for all registration queries.']

['A. The university policies are too strict and unhelpful.', 'B. Students are ultimately responsible for their registration process.', 'C. Tutors should take a more active role in student registrations.']

24. What does Dr. Evans advise Chloe to do immediately about her late registration?

['A. To discuss their upcoming project deadlines.', 'B. To get advice on choosing optional modules.', 'C. To resolve problems with their exam registration.']

['A. She is unsure which modules to register for.', 'B. She has missed the official registration deadline.', 'C. She has encountered a module timetable clash.']

['A. He has been registered for an incorrect module.', 'B. He has received no confirmation of his registration.', 'C. He needs to change his chosen examination dates.']

['A. Submit a formal appeal to the academic board.', 'B. Contact the examinations office directly and without delay.', 'C. Wait for the university to send a reminder notice.']

['A. She was preoccupied with an important family event.', 'B. She did not fully understand the instructions in an email.', 'C. She believed the deadline was later than it actually was.']

['A. It is generally efficient but can be confusing for some users.', 'B. It is outdated and frequently causes problems for students.', 'C. It is straightforward and rarely leads to registration errors.']

['A. He needs to consult with his personal tutor for guidance.', 'B. He must submit a written request to the module leader.', 'C. He needs to visit the departmental office with a specific form.']

['A. Students must register for resits within one week of results publication.', 'B. Resit registration is handled automatically by the university.', 'C. A separate application form is required for each resit module.']

['A. Always prioritise registration over academic coursework.', 'B. Regularly check the university portal for updates and deadlines.', 'C. Consult with a peer mentor for all registration queries.']

['A. The university policies are too strict and unhelpful.', 'B. Students are ultimately responsible for their registration process.', 'C. Tutors should take a more active role in student registrations.']

25. What was the main reason Chloe gave for missing the examination registration deadline?

['A. To discuss their upcoming project deadlines.', 'B. To get advice on choosing optional modules.', 'C. To resolve problems with their exam registration.']

['A. She is unsure which modules to register for.', 'B. She has missed the official registration deadline.', 'C. She has encountered a module timetable clash.']

['A. He has been registered for an incorrect module.', 'B. He has received no confirmation of his registration.', 'C. He needs to change his chosen examination dates.']

['A. Submit a formal appeal to the academic board.', 'B. Contact the examinations office directly and without delay.', 'C. Wait for the university to send a reminder notice.']

['A. She was preoccupied with an important family event.', 'B. She did not fully understand the instructions in an email.', 'C. She believed the deadline was later than it actually was.']

['A. It is generally efficient but can be confusing for some users.', 'B. It is outdated and frequently causes problems for students.', 'C. It is straightforward and rarely leads to registration errors.']

['A. He needs to consult with his personal tutor for guidance.', 'B. He must submit a written

request to the module leader.', 'C. He needs to visit the departmental office with a specific form.']

['A. Students must register for resits within one week of results publication.', 'B. Resit registration is handled automatically by the university.', 'C. A separate application form is required for each resit module.']

['A. Always prioritise registration over academic coursework.', 'B. Regularly check the university portal for updates and deadlines.', 'C. Consult with a peer mentor for all registration queries.']

['A. The university policies are too strict and unhelpful.', 'B. Students are ultimately responsible for their registration process.', 'C. Tutors should take a more active role in student registrations.']

26. What is Dr. Evans's general opinion of the university's online registration system?

['A. To discuss their upcoming project deadlines.', 'B. To get advice on choosing optional modules.', 'C. To resolve problems with their exam registration.']

['A. She is unsure which modules to register for.', 'B. She has missed the official registration deadline.', 'C. She has encountered a module timetable clash.']

['A. He has been registered for an incorrect module.', 'B. He has received no confirmation of his registration.', 'C. He needs to change his chosen examination dates.']

['A. Submit a formal appeal to the academic board.', 'B. Contact the examinations office directly and without delay.', 'C. Wait for the university to send a reminder notice.']

['A. She was preoccupied with an important family event.', 'B. She did not fully understand the instructions in an email.', 'C. She believed the deadline was later than it actually was.']

['A. It is generally efficient but can be confusing for some users.', 'B. It is outdated and frequently causes problems for students.', 'C. It is straightforward and rarely leads to registration errors.']

['A. He needs to consult with his personal tutor for guidance.', 'B. He must submit a written request to the module leader.', 'C. He needs to visit the departmental office with a specific form.']

['A. Students must register for resits within one week of results publication.', 'B. Resit registration is handled automatically by the university.', 'C. A separate application form is required for each resit module.']

['A. Always prioritise registration over academic coursework.', 'B. Regularly check the university portal for updates and deadlines.', 'C. Consult with a peer mentor for all registration queries.']

['A. The university policies are too strict and unhelpful.', 'B. Students are ultimately responsible for their registration process.', 'C. Tutors should take a more active role in student registrations.']

27. What is Liam required to do about the discrepancy in his registered modules?

['A. To discuss their upcoming project deadlines.', 'B. To get advice on choosing optional modules.', 'C. To resolve problems with their exam registration.']

['A. She is unsure which modules to register for.', 'B. She has missed the official registration deadline.', 'C. She has encountered a module timetable clash.']

['A. He has been registered for an incorrect module.', 'B. He has received no confirmation of his registration.', 'C. He needs to change his chosen examination dates.']

['A. Submit a formal appeal to the academic board.', 'B. Contact the examinations office directly and without delay.', 'C. Wait for the university to send a reminder notice.']

['A. She was preoccupied with an important family event.', 'B. She did not fully understand the instructions in an email.', 'C. She believed the deadline was later than it actually was.']

['A. It is generally efficient but can be confusing for some users.', 'B. It is outdated and frequently causes problems for students.', 'C. It is straightforward and rarely leads to registration errors.']

['A. He needs to consult with his personal tutor for guidance.', 'B. He must submit a written request to the module leader.', 'C. He needs to visit the departmental office with a specific form.']

['A. Students must register for resits within one week of results publication.', 'B. Resit registration is handled automatically by the university.', 'C. A separate application form is required for each resit module.']

['A. Always prioritise registration over academic coursework.', 'B. Regularly check the university portal for updates and deadlines.', 'C. Consult with a peer mentor for all registration queries.']

['A. The university policies are too strict and unhelpful.', 'B. Students are ultimately responsible for their registration process.', 'C. Tutors should take a more active role in student registrations.']

28. What does Dr. Evans clarify about the registration process for resit examinations?

['A. To discuss their upcoming project deadlines.', 'B. To get advice on choosing optional modules.', 'C. To resolve problems with their exam registration.']

['A. She is unsure which modules to register for.', 'B. She has missed the official registration deadline.', 'C. She has encountered a module timetable clash.']

['A. He has been registered for an incorrect module.', 'B. He has received no confirmation of his registration.', 'C. He needs to change his chosen examination dates.']

['A. Submit a formal appeal to the academic board.', 'B. Contact the examinations office directly and without delay.', 'C. Wait for the university to send a reminder notice.']

['A. She was preoccupied with an important family event.', 'B. She did not fully understand the instructions in an email.', 'C. She believed the deadline was later than it actually was.']

['A. It is generally efficient but can be confusing for some users.', 'B. It is outdated and frequently causes problems for students.', 'C. It is straightforward and rarely leads to registration errors.']

['A. He needs to consult with his personal tutor for guidance.', 'B. He must submit a written request to the module leader.', 'C. He needs to visit the departmental office with a specific form.']

['A. Students must register for resits within one week of results publication.', 'B. Resit registration is handled automatically by the university.', 'C. A separate application form is required for each resit module.']

['A. Always prioritise registration over academic coursework.', 'B. Regularly check the

university portal for updates and deadlines.', 'C. Consult with a peer mentor for all registration queries.']

['A. The university policies are too strict and unhelpful.', 'B. Students are ultimately responsible for their registration process.', 'C. Tutors should take a more active role in student registrations.']

29. What key piece of advice does Dr. Evans give for avoiding future registration issues?

['A. To discuss their upcoming project deadlines.', 'B. To get advice on choosing optional modules.', 'C. To resolve problems with their exam registration.']

['A. She is unsure which modules to register for.', 'B. She has missed the official registration deadline.', 'C. She has encountered a module timetable clash.']

['A. He has been registered for an incorrect module.', 'B. He has received no confirmation of his registration.', 'C. He needs to change his chosen examination dates.']

['A. Submit a formal appeal to the academic board.', 'B. Contact the examinations office directly and without delay.', 'C. Wait for the university to send a reminder notice.']

['A. She was preoccupied with an important family event.', 'B. She did not fully understand the instructions in an email.', 'C. She believed the deadline was later than it actually was.']

['A. It is generally efficient but can be confusing for some users.', 'B. It is outdated and frequently causes problems for students.', 'C. It is straightforward and rarely leads to registration errors.']

['A. He needs to consult with his personal tutor for guidance.', 'B. He must submit a written request to the module leader.', 'C. He needs to visit the departmental office with a specific form.']

['A. Students must register for resits within one week of results publication.', 'B. Resit registration is handled automatically by the university.', 'C. A separate application form is required for each resit module.']

['A. Always prioritise registration over academic coursework.', 'B. Regularly check the university portal for updates and deadlines.', 'C. Consult with a peer mentor for all registration queries.']

['A. The university policies are too strict and unhelpful.', 'B. Students are ultimately responsible for their registration process.', 'C. Tutors should take a more active role in student registrations.']

30. What overall message does Dr. Evans want Liam and Chloe to take away from the discussion?

['A. To discuss their upcoming project deadlines.', 'B. To get advice on choosing optional modules.', 'C. To resolve problems with their exam registration.']

['A. She is unsure which modules to register for.', 'B. She has missed the official registration deadline.', 'C. She has encountered a module timetable clash.']

['A. He has been registered for an incorrect module.', 'B. He has received no confirmation of his registration.', 'C. He needs to change his chosen examination dates.']

['A. Submit a formal appeal to the academic board.', 'B. Contact the examinations office directly and without delay.', 'C. Wait for the university to send a reminder notice.']

['A. She was preoccupied with an important family event.', 'B. She did not fully understand

the instructions in an email.', 'C. She believed the deadline was later than it actually was.']
['A. It is generally efficient but can be confusing for some users.', 'B. It is outdated and frequently causes problems for students.', 'C. It is straightforward and rarely leads to registration errors.']

['A. He needs to consult with his personal tutor for guidance.', 'B. He must submit a written request to the module leader.', 'C. He needs to visit the departmental office with a specific form.']

['A. Students must register for resits within one week of results publication.', 'B. Resit registration is handled automatically by the university.', 'C. A separate application form is required for each resit module.']

['A. Always prioritise registration over academic coursework.', 'B. Regularly check the university portal for updates and deadlines.', 'C. Consult with a peer mentor for all registration queries.']

['A. The university policies are too strict and unhelpful.', 'B. Students are ultimately responsible for their registration process.', 'C. Tutors should take a more active role in student registrations.']
